

Labyrinth Exploration and Education Sessions

- Friday, September 27th at 6pm
- Sunday, October 6th at 12:30pm
- Saturday, October 19th at 10am

This is an opportunity to come and experience the Labyrinth for those for whom it is new, or for the seasoned veteran also. Unlike the meditation series on the Labyrinth in the summer, where there was a lot of group work and personal sharing, this series is intended for people to have a short session of information about the labyrinth at the beginning, and then time to explore and experience the Labyrinth individually after that. These are 3 independent sessions, and not a series. The same information will be provided for each session at the beginning. These sessions will take place completely outside at the Labyrinth site and are thus weather dependant.
