- **MISSION SNIPPET:** Our gifts for Mission & Service support our global partner, the **Organization of African Instituted Churches**. Workshop A is **People with Intellectual Disabilities**; Workshop B is **Local Needs and Local Solutions to Affordable Housing** and Workshop C is **Indigenous People**. Register with Linda Badke at Linda.badke@rogers.com or 519-432-5420.
- The United Church has just launched a new **emergency appeal** in response to the tragic situations unfolding in Asia-Pacific regions. Japan, China, Hong Kong, and the Philippines have all sustained major weather-related damage this fall and Indonesia experienced two significant earthquakes that cost thousands of lives. The United Church Mission & Service partner, ACT Alliance, working with other partners in the region, is responding to these devastating events with medical teams to treat the injured, damage assessment teams, food, shelter, and agricultural support to replant crops. They are concentrating their resources to reach the most remote and underserved communities. United Church donations will support this critical work. Please include the people of the Asia Pacific Region in your prayers as they face the long and difficult journey from emergency response to reconstruction and recovery. Go to: <https://www.united-churchca/typhoons-earthquakes-and-tsunami-asia-pacific-region> to read more and to donate.
