

Tuesday, February 28 , gather at 5:45 p.m.

Our Guest this month will be Barb Van Rassel from the Trillium "Gift of Life " program.

This multi-organ transplant program at LHSC provides about 160 transplants annually. 5,000 Canadians have received heart, kidney, kidney-pancreas, liver and multi-organ transplants at U.H. and Children's Hospital here in London.

Physicians, residents and staff number 15,000 and have provided care for more that one million patients in 2009-10.

Bring a friend and join us for our POT LUCK Supper at 6. ALL are Welcome !
