

## Youth and Young Adult

### SALT (Summer Adventure Leadership Team)

With a warm heart and gratitude, I thank the SALT team for their amazing and meaningful work and ministry within our churches and surrounding communities this summer. They have completed their summer employment this past week. We ended our time together with a yummy lunch and bowling. This creative and gifted group of people planned and led a full week of day camp at Siloam and First-St. Andrew's. They also facilitated three stand-alone day camps at Metropolitan and Siloam. They brought summer camp to the children who attended Metropolitan each Sunday morning. They also had lots of fun leading the various youth and intergenerational events they planned, such as youth drop-ins, bingo night, a Mario Kart tournament, karaoke, and games.

Please refer to our social media for pictures of these events and camps and for future programming by following

## Youth and Young Adult

### Young Adult Gathering

This past week many of our young adults gathered for pizza and baked goods to share best wishes and say farewell to some of our friends who are moving away for school and other opportunities. For all those young adults who will be moving away from home to attend school, and those who are staying in London for post-secondary school, we

## Youth and Young Adult

wish you all the best and please know your church family is praying for you as you seek

new adventures.

### Youth

Youth in high school, please mark on your calendars our sleepover that is happening on Friday, September 29 at Siloam United Church. Please let Marilyn know if you will be attending.
